Introduction

The 2017 LETR International Executive Council Handbook has been designed to assist council members, both existing and new by providing, in one document, relevant information about the workings of the council.

This version of the handbook builds on the work done in 2016 by Mark Musso and Victoria Rivers .

It goes without saying that this document will never be completed - it will always be subject to amendment and adjustment as aspects of the council's work and activities change over time.

Please don't hesitate to send any comments, criticisms or suggestions for improvement to Victoria Rivers so that the document can be continually enhanced.

LETR Final Leg

Since 1987 law enforcement officers from around the world have participated in the Final Leg of the Law Enforcement Torch Run prior to the Special Olympics World Summer and Winter Games. The tradition of the Final Leg Torch Run is for law enforcement officers representing their country, state and Torch Run Program, to act as "Guardians of the Flame" and carry the Special Olympics Torch and "Flame of Hope" to the Opening Ceremonies of the Special Olympics World Games.

This Torch Run event is called the Final Leg because it represents the culmination of Torch Run events that have occurred previously throughout the World. The Torch Run Final Leg is not only a salute to the athletes from around the World who will compete in the Special Olympics World Summer Games, but also an honor for the participating law enforcement officers and Special Olympics athletes who comprise the Torch Run Final Leg Team.

The Olympic flame symbolizes the light of spirit, knowledge and life. With identical power and majesty, the Special Olympics "Flame of Hope," in the entrusted care of the law enforcement community, symbolizes the courage and celebration of diversity that the Special Olympics movement represents.

The table below details the World Games Final Leg event held since 1987:

John Carion 'Unsung Hero' Award

The John Carion Award was created to recognize outstanding individuals who have contributed to the success of the Law Enforcement Torch Run on a local, state or community level. The John Carion "Unsung Hero" is someone who contributes to the Torch Run and Special Olympics in spirit, dedication and enthusiasm in an effective and unheralded fashion. The award was created to honor the memory of Sgt. John Carion, Sterling Heights (MI) Police Department and his many contributions to the Law Enforcement Torch Run and Special Olympics. The Unsung Hero award is a tribute to Sergeant John Carion, who epitomized the term "Unsung Hero" during his lifetime before his untimely death in a plane crash in January, 1994. John was a low-key, quiet, but effective leader in the Torch Run effort, especially in the areas of law enforcement volunteerism for Special Olympics and furthering the ideals of Unified Sports in Special Olympics.
